PROFESSIONAL PROFILE

Creative and innovative Fashion Designer with experience in designing, developing, and producing high-quality garments for bespoke, ready-to-wear, bridal, couture, or commercial fashion collections. Skilled in translating creative concepts into beautifully crafted pieces through expert garment construction, fabric selection, pattern interpretation, and attention to detail.

Passionate about combining creativity with functionality to deliver designs that reflect current trends while maintaining exceptional quality and craftsmanship. Experienced in collaborating with clients, design teams, and production specialists to successfully deliver projects from concept to completion.
